Academic Projects

Weaving: Round Robin

- Collaborated with the whole class to create many different kinds of experimental woven structures.
- Everyone had to manage time wisely to make sure we were all able to finish our structures on all the different looms.

Advanced Machine Knitting

- Came up with a mini fashion collection to create 1 fully fashioned garment.
- Initially made 6 experimental swatches and experimented with pleating on knitting machine and different types of yarn.
- After 1st critique, created 6 more swatches and completed final garment and boards.

Senior Thesis Project: Emotional Buggage (Bug Bag)

- Wove yardage using an overshot trellis pattern combined with supplemental techniques and designed and sewed a mock up bag out of scrap fabric.

Draping: Maison Margiela Recreation Garment

- Picked look 40 of Maison Margiela Spring 2024 RTW collection to recreate, had to drape and create a pin proof first.
- Create a pattern and tech pack from the proofs before moving on to make the garment out of fashion fabric.
- Final garment was fully lined and beautifully sewn together.
